

# ELEVATE

Bringing health tech direct to the NHS

Elevate the art of the possible:  
A better way to engage the NHS

**Elevate** brings health tech directly into NHS organisations.

**Providers** engage staff in the art of the possible, showcasing curated tech for their needs.

**Suppliers** get real conversations, genuine opportunities, and unprecedented access at every level.

## The pioneer: Engaging organisation wide

- > 500 staff attended – at almost every level.
- > Clinical people coming to a digital event.
- > The starting point of UHDB's 2026-2030 digital strategy.
- > "First of its kind" 20-year NHS veteran.
- > Engagement in digital like never before.
